SUBJECT : Draft-Survey of Alerting
Procedures in Intelligence

1. The attached document contains sensitive material that will be released only if the agencies concerned give their permission. Therefore, a limited, controlled printing has been made, and numbered copies are given only to the named individuals who participated in this survey, as indicated above. The tabs describing procedures in individual agencies are withheld except that each agency is given a copy of its own tab.

2. It would be appreciated if each addressee would review the attached draft ~~report~~ and inform the undersigned by phone (code 143, extension 2353) of his concurrence. In the event changes are suggested, the undersigned will be pleased to visit the addressee for discussions. It would be further appreciated if this could be accomplished before 3 June 1954.

3. The Ad Hoc IAC Committee has expressed a desire to review this report at an early meeting in so far as it is related to the watch problem.
